

2022

MERRY CHRISTMAS

WOW.

OUR FAMILY IS THRIVING!

We've enjoyed lots of family time during game nights...the kids discovered Settlers of Catan and it has been the subject of triumph and resentment in the Marshall home. In March and August we went on vacation to Southern Utah and explored the wonders of red sandstone, warm lakes, rock formations and ancient artifacts. We loved attending the temple as a family with Preston and are excited to see the progress of our own in Taylorsville. We don't know what the future holds for 2023, but we have faith that God will guide us with prosperity and trials. Our family loves life, our country, our community and our individuality. We celebrate 2022 and look forward to the next year! So we wish you a Merry Christmas and Happy 2023!

the Marshalls

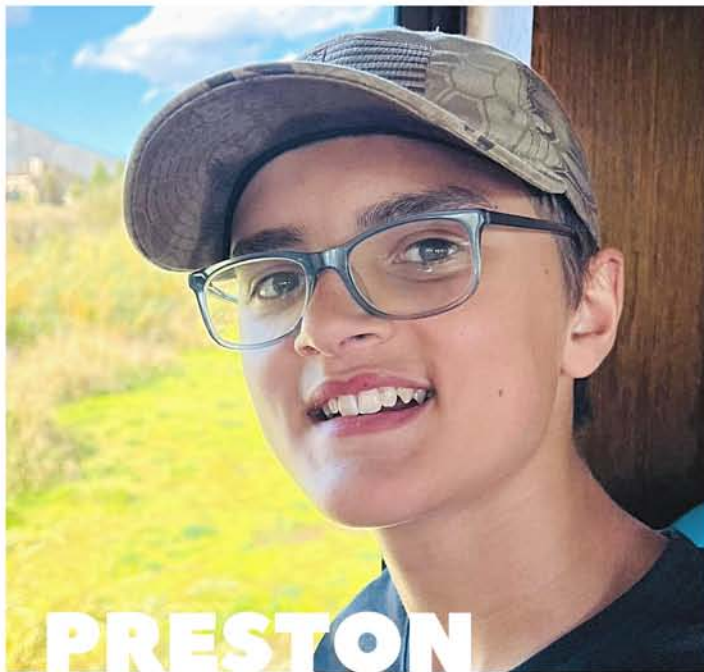

JENALEE

RIAN

She joined the 40's club this year! To celebrate, she rented out an olympic size outdoor pool to party! Jenalee has enjoyed success in her design business and has continued to be the glue of the family...a role that she excels at. "Mommy!"

In 2022 he doubled his extensive firearm collection and is still prepping for the Apocalypse. But besides worrying about the imminent threat of zombies and radicals, Rian loves family time, sleep, good food and Anime.

PRESTON

Preston wowed all of Utah by competing in Science and taking second in the state! He tested into Honors 8th grade Math and English as 7th grader. He now enjoys Jr High and continues to play tennis, volleyball and any other sport he can find..

JADE

Our sweet little girl has some sass now. Which we encourage and yet miss "when she was little" on a daily basis. Jade is a wonderful student in every aspect. She also has chosen a new sport: Soccer! Girls and Co-ed, Outdoor and Indoor: she loves it all. Did we mention the sass?
